MEMO ENDORSEDRe: USA v. Cresencia Bayron, 07 Cr. 375 (SCR)

Dear Judge Robinson:

This letter is submitted in connection with a CJA voucher for investigative services submitted in this case and is a request to authorize a claim for compensation that exceeds by \$202.50 the amount previously authorized. Prior authorization, as per Magistrate Judge Mark D. Fox, and pursuant to my estimate, was for up to \$1500.00. The voucher also includes, in addition to compensation, claims for travel and other expenses, for which approval is sought.

The investigative work in this case included traveling to locations in Manhattan, the Bronx and Westchester County in an effort to: reconstruct the client's movements on the day of the arrest, visit the scene of the arrest and visit another location of relevance to the case. The work including canvassing for possible witnesses at these locations and taking photographs as well as conferring with counsel and the client.

Very truly yours,

THEODORE S. GREEN
